Treasury Report: Gary, KC9SGF, Absent no report

Legal & Procedures Reminder Report: Ron, N9XWX, no report.

FCC Report: no report

ARRL Report: Jeremy KC9WMV read the activity report posted on the ARRL website: ARES has some changes coming, more info in following months.

Old Business

- Kit building is pretty much concluded. Anybody still needing help can contact Dave.
- Testing Session was a success. All applicants have been issued license/upgrades
- P.O.T.A. parks to active Lincoln Trail, Weldon Springs, Clinton Lake. Dates still TBD

- Field Day Planning – Jeremy Frequency co-or - Drew picture for club visuals. 1000 feet area to work in. Whomever signs up for a band first will be ‘in charge’ of that band, if done they sign out of that band. Use of club call sign except for the club station, whomever is manning. Discussed a notched filter/band filter options if we ended up needing them.

Suggested \$125.00 for Fried chicken, mash potatoes, and green beans and potluck for all other sides/deserts. Suggested we send out a feeler for a rough count; motion passed. Tabled for some rough numbers.

New Business

- Next test session will be the Sunday morning of field day 9 am questions to be directed to Marshal; possible test on Sat also.
- Dale told us more about the Yeasu repeater upgrade program. Trade our 730-repeater fusion to upgrade for \$350. The upgrade has more features including digital, reflectors etc. expires at the end of June. Present ones are about 3yrs old. Jeremy is going to see if we can get a rep to visit.
- ISS to transmit images April 1 & 2

Guest Speaker – Bill Hogg – has worked with SA from 1993 to present. Work with a lot of groups but it runs on donations. SATURN (salvation army team emergency radio network) basically would partner with us as emergency correspondence. Bill teaches ‘Intro to Disaster’ services that is required to be part of SATURN, no fee to take the classes. (include his business card in minutes). Classes can be held anywhere, takes 2-3 hrs “Safe from Harm” is an additional 3 hrs. so roughly 8 hrs total with hr lunch. Min. size of class 4. Interagency use for the most part; during H. Andrew safe check-ins were used.

Fun night: The next Fun Night is on April 11, 2019 at 7:00 PM Culvers North
